

05-07 November, 2018

University of Mar del Plata

Mar del Plata, ARGENTINA

Meeting

Project: FIBRE

“Development of eco-friendly composite materials based on geopolymer matrix and reinforced with waste fibers”

(Project N° ELAC2015/T02-0721)

under the ERANet-LAC: Latin America, Caribbean and European Union funded by the European Commission, within the 7th Framework Programme for Research and Technology Development (FP7), Topic #02: Waste management, recycling and urban mining

AGENDA

Monday, November 05th, 2018

Venue: Engineering Faculty, National University of Mar del Plata. Juan B Justo 4302, Mar del Plata

10:00 – 10:15	Welcome by local coordinator, University of Mar del Plata
10:15 – 12:15	Presentation of each partner (15 minutes about the project implementation, research results, the materials chosen to further works etc.): <ul style="list-style-type: none">- University of Mar del Plata- Cracow University of Technology- Niğde Ömer Halisdemir University- Pontificia Universidad Católica del Peru- Riga Technical University- Universitatea Babeş-Bolyai- Catholic University of Uruguay Damas Antonio Larrañaga- University Politehnica Timișoara
12:45 – 13:00	Presentation: Fibre reinforced geopolymers – state of art, conducted by Kinga Korniejenko & Janusz Mikuła, Cracow University of Technology Discussion: Fibres pre – treatment
13:00 – 14:00	LUNCH break
14:00 – 14:30	Summarizing works in WP3 and discussion about the results, conducted by Janis Sliseris, Riga Technical University
14:30 – 15:00	Coordination meeting WP4 and discussion, Javier Nakamatsu, Pontificia Universidad Católica del Peru
15:00 – 15:50	Coordination meeting WP5 and discussion, conducted by Kinga Korniejenko & Janusz Mikuła, Cracow University of Technology – plans for next year
20:00	DINNER

Tuesday, November 06th, 2018

Venue:

10:00 – 11:30	Management of the project (discussion): <ul style="list-style-type: none">- discussion about the research results- project implementation (progress)- deadlines- sustainability and dissemination strategy of the project- discussion about publication strategy, planned publications in 2019- starting the new WPs
11:30 – 12:30	Discussion: Barriers in geopolymers implementation – procedure of acceptances of building products in each country, conducted by Kinga Korniejenko & Janusz Mikuła, Cracow University of Technology
12:30 – 13:30	LUNCH
14:00 – 17:00	Visit to the new facilities of the Research Institute of Materials Science and Technology (INTEMA)
17:00 – 19:00	Registration for the SLAP 2018 conference

Wednesday, November 07th, 2018

Individual consultation between the partners – publication strategy

November 07-09th, 2018

Participation in the SLAP 2018 conference

Exact location: <https://goo.gl/maps/qo4sJTqEFgN2>

There will be a shuttle that will go from downtown to the faculty and back both days (we will give more details in next weeks)
